

“Rethinking sex determination of non-gonadal tissues.”

Professor Arthur P. Arnold

PhD, University of California, Los Angeles, USA

Arthur P. Arnold, PhD, is Distinguished Professor of Integrative Biology & Physiology at the University of California, Los Angeles. He is the founding Editor-in-Chief of the journal *Biology of Sex Differences*. He is a Director of the Organization for the Study of Sex Differences. He received his PhD from the Rockefeller University and has been at UCLA since 1976.

He has long studied biological factors that make males and females different, and has introduced and studied several animal models of sexual differentiation of the brain and other tissues.

Dr. Arnold was Inaugural President of the Society of Behavioral Neuroendocrinology in 1997-1999, and received the SBN's Daniel Lehrman Lifetime Achievement Award in 2010. He is a fellow of the John Simon Guggenheim Memorial Foundation and the American Association for the Advancement of Science.

**Date: Thursday,
7th December 2017**

12:00pm-1:00pm

*A light lunch and
refreshments to follow*

**Location:
TRF Building,
Level 2,
Seminar rooms 1+2
27-31 Wright Street,
Clayton, 3168**
