

2021 Hudson Institute Science Innovation Seed Awards

Hudson Institute Research Committee

SHORT BIO

The seminar is organised by the Hudson Institute Research Committee for the winners of the 2021 Hudson Institute Science Innovation Seed Awards. As part of the award agreement, the awardees are invited to give an Institute wide presentation to deliver a concise pitch of their projects at the start and at the conclusion of their award.

The awardees will give a five minute talk each as per the schedule:

12.00-12.05	Introduction by chairs of HRC
12.05-12.10	Daniel Gough
12.10-12.15	Jim Vadolas
12.15-12.20	Michelle Tate
12.20-12.25	Cristina Giogha
12.25-12.30	Emily Camm
12.30-12.35	Madara Ratnadiwakara
12.35-12.40	Natalia Sampaio
12.40-12.45	Nicole Campbell
12.45-1.00	Q&A

The presentations will give a brief introduction about the work to be done in the awardee's collaborative projects, the partnerships and the proposed outcomes.
